

OBSERVERS PROGRAM

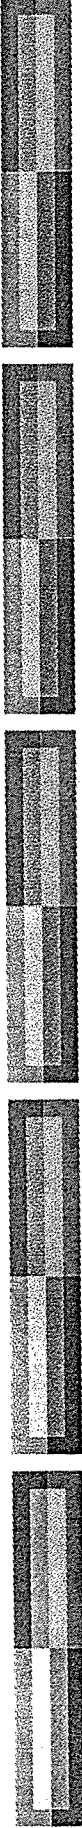

- TIME TABLE
 - 2006-07 get implementation ready with association members
 - 2007-08 start observers program for members of your association
 - 2008-09 refine what you have started
 - 2009-10 have a completed observers program in place for your association

Purpose of the program

- Improve officiating in Illinois
 - Provide constructive feedback to officials being observed
- 

Reasons why this is needed

- Improve officiating
 - Promote retention of officials
 - Provide input for clinics
 - Promote standardization of officiating
 - Provide a service to all members of the recognized associations
- 

Associations need the following:

- Designated person in charge of the program
 - Method to determine who will or can be observed
 - Method to set up scheduling of observations
 - Designated person to be the trainer for observers
 - Criteria for who and how often a person needs observed
 - Record keeping process
 - Determine cost of the program and who/how pays
 - Standardized observation form that will be used for all observation
-
